## NEW BUILD

Next week preparations for our long awaited new Key Stage 1 build will begin. Over the coming weeks you will find a guided pathway next to the building to allow children and adults to get to their classrooms safely. Year 3 will have their own pathway. Playtimes and lunchtimes will all be on the Key Stage 2 yard from Monday.

The arrangements at the beginning of the day will remain the same and children will enter school through the same doors. Picking up at the end of the day will be the same for Years 1, 2, 3, and 6. Years 4 and 5 will now be picked up at their classroom door and follow the safe route out.

We will keep you informed of all developments and changes as they occur at this exciting time in the schools life!

## BIG BATTERY HUNT UPDATE

We have collected well over a 1000 batteries so far. Well done everyone!

## AFTERSCHOOL CLUB / HOLIDAY CLUB

Afterschool Club now has a new telephone number - **07984 386131**.

We are also now taking bookings for the February half term Holiday Club (w/c 19<sup>th</sup> February). If you would like more information on our Holiday Club, please see the school office. Thank you.

## PARKING AROUND SCHOOL

Please can you park with consideration for our neighbours and the community when dropping off or collecting pupils. The school regularly receives complaints from neighbours about drives being blocked etc. We thank you for your co-operation.
