

Dear Parent/Carer,

Please find below the class changes for the new academic year (Sept 2018). Unlike previous years the classes will be named by year group, followed by the lead teacher's initials. We will be discussing the transition process with the children and they will have an opportunity to meet their new class teacher and visit their new class, in the coming weeks. We are excited to be welcoming three excellent new members of teaching staff to Crossacres in September. These are Miss Harrington (Year1), Miss Blacker (Year 3) and Mr Pickering (Year 4).

Nursery children moving to reception are not included in the list below, as individual information has been shared with Nursery parents.
