Dear Parents/Carers

We are delighted to announce that work will start on the long-awaited development of our Key Stage 2 internal quad areas and the dining hall. In addition to this we will also be having some work completed in the school kitchen. This re-development scheme will provide excellent facilities for your children, which have been specifically designed to enhance the break and lunchtime experiences.

The new quads will provide outdoor table tennis facilities, football tables and a quiet space for the children to access. We are really excited by the designs, which we have worked hard to finalise over the last few months.

The majority of the works programme aims to be completed by the spring term, and we are excited that pupils will be able to use the facilities for the first time in the new year.

During construction work, the site will be fully enclosed, as the safety of the children is paramount, and building work has been scheduled so there will be no impact on the learning or safety of our pupils.

There will be some impact on the use of the dining hall during the work, but we are fortunate enough to be able to use the school hall to serve and seat the children, whilst the dining hall is being renovated. Further to this, during the half-term break there will be essential maintenance of the school kitchen - we anticipate that this will run into the first part of the new school term. Therefore, on **Monday 29<sup>th</sup>**, **Tuesday 30<sup>th</sup>** and **Wednesday 31<sup>st</sup>** of October all children who usually receive a school dinner will be provided with a packed lunch.

Rest assured, you will be kept fully up to date with the project and any implications during the build phase.

Thank you for your co-operation.

Mr D Thompson
