Dear Parent/Guardian,

Thank you for your help and cooperation this term. It has been great to see everyone working together to become familiar with the new way things are being done in and around the school, and to see the children enjoying the benefits of being with friends and back in education.

As you are aware, the school will be closed for October half term. If your child is currently waiting to *take a Covid-19 test or to receive the results of a test*, we would be very grateful if you could continue to follow the process of **informing the school if there is a positive result**. To facilitate this process, over the half term please email the address below to report a positive result and include the date of the onset of symptoms and the date of test.

report@crosssacres.manchester.sch.uk

By continuing to let us know if your child tests positive, we can notify and advise you and any close contacts with regards to the length of isolation and the date that your child and close contacts can return to school, to safely ensure that risk of transmission is reduced.

Should your child receive a positive result you should inform us as outlined above and follow the Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection. This includes not attending any playschemes, youth provision, leisure centres or sports activities etc. which may have been planned for the school holidays.

Should your child be identified as a close contact of someone who has tested positive within the school, you will be contacted by us and informed about the required isolation period and date your child can return to school. It is important that you follow the advice and guidance in relation to the isolation period to help reduce the spread of infection.

Thank you for your continued support.
