SCHOOL POLICIES

Please bear in mind that policies are updated from time to time. All our policies are on the school website www.crossacresprimary.co.uk for parents/carers to read.

Dear Parents/Carers,

You may remember that before the Easter holidays we had a visit from our School Improvement Partner who is also an Ofsted inspector. We commission this visit each year to check that our standards of teaching remain at an excellent level.

We were delighted that her conclusion was:

"Staff have worked hard to ensure that pupils have a high quality curriculum which develops their skills and knowledge extremely well across the full range of subjects. The observations show the huge effort that the teachers make to provide exciting, well taught activities to engage and inspire pupils to learn. This is evident in their books too, showing the quality of learning over time.

Without exception, pupils observed showed great enthusiasm and motivation for their learning along with a pride in what they are able to achieve".

It is great news that we are still achieving our aim of providing the best education we can for your children.
