She has taught hundreds of children during her time at the school and has also played a vital part in taking our school forward over the last 20 years. If any parents would like to make a donation towards a bouquet of flowers from the parents, to be presented to her on her final day, please drop any money off at the school office or put in an envelope and send in via your child. Thanks.

## DINNER MONEY

As the end of the year approaches, it is very important that dinner money is paid up to date by **Monday 15<sup>th</sup> July**. Please remember to inform the school office if you would like to change your child's meal arrangements for the new school year. Thank you for your continued support.

## WELL-BEING MORNINGS

As part of our commitment to developing Crossacres as a Healthy School, the children have taken part in Well-Being mornings. These were an opportunity for children to develop knowledge and understanding of Social, Emotional and Mental Health in an interactive and fun way. Through a range of activities, such as making healthy snacks and yoga, children will better understand the links between physical and mental health and the impact that exercise and a healthy diet can have on mood, self-esteem and positive body image. The children have enjoyed their Well-Being mornings where they had special visits from Emma Pilling from the Healthy Schools Team.
