17<sup>th</sup> September 2021

## WELCOME BACK

We hope everyone enjoyed their summer holidays and had a restful break. It was lovely to welcome the children back to school last week.

## LUNCHHOUND

We have installed an exciting new system called LunchHound to manage our school meal service. This gives you the opportunity to pre-order your child's lunch option in advance. The children now have a lot more choice at lunchtime and they have all been very enthusiastic about the new menu. You can register at <https://orders.lunchhound.co.uk>. Please note that you must register with the same email address you have registered with the school. Once you have set up your account you will be able to start ordering your child's school lunches. If you have any queries regarding LunchHound please contact the school office.

## MEET THE TEACHER

On **Wednesday 22<sup>nd</sup> September** you will have the opportunity to meet your child's class teacher. The meetings will be held in your child's classroom. The teacher will tell you about the term ahead. If you have more than one child in school please feel free to move between the classes and meet all your children's teachers.
