## **SCHOOL TRIPS**

### **LLANDUDNO**

Year 4 had a fantastic time visiting Llandudno as part of their Geography topic all about land use. The children travelled up the Great Orme and then at the bottom they surveyed the public, asking them about their experiences as tourists. The children had the opportunity to walk along the pier and take in the beautiful views.

### **BLACKPOOL**

Reception had a fantastic time visiting Blackpool Zoo this week as part of their topic 'Animals around the world'. They observed animals from all over the world as they explored the zoo, watched a sea lion show and saw the elephants feeding time.

## **ATTENDANCE**

Well done to the classes who achieved the highest attendance last week. As a reward, they will get to display our very own Crossacres attendance teddy in class all next week.
