## Let's Celebrate Eid Al Fitr! Planning Week beginning: 18th May

This week the project based learning is all about the celebration Eid Al Fitr! We focus on the build up to Eid, Ramadan and how Muslims fast during this time. We look at how Muslims celebrate and complete some Eid activities! Between 9.30- 10.30 am, the focus is Maths and English. As your children complete the CGP books we gave out before school closed, they can now access the BBC Bitesize website and the Oak National Academy. These are daily Maths and English lessons. On the Oak National Academy, videos of actual teachers, teaching lessons are available, complete with tasks for your children to complete. Please click the links below.
